**INDUSTRIAL STRENGTH
Ductwork Direct**
OCTOBER 2012

Word of Mouth (or a customer blog) is the best form of advertising...

Quality doesn't cost IT SAVES

Two weeks ago, one of our customers shared their experience working with Air Handling Systems versus one of our competitors. They said "So, in interests of resolving the piping work as soon as possible. I ordered that fitting from Air Handling..." and "The Air Handling lateral, as it is welded, is much stronger and completely smooth so it will flow better:" This only says so much - but a picture is worth a thousand words...[click here](#) to read and see 18 more pictures from [the Carpentry Way](#) showing our products vs a competitors.

Spiral Pipe Stronger than other pipe

Spiral Pipe - Manufacturing Video

Air Handling Systems manufactures spiral pipe in 18, 20, 22, & 24 gauge galvanized metal. Stronger than other pipe, our spiral pipe is up to 20% stronger than smooth pipe systems of the

Call Me Maybe - CT Manufacturers

Twelve Connecticut manufacturing companies including staff from **Air Handling Systems** celebrate October as Manufacturing Month in Connecticut in *Call Me Maybe* video.

"Manufacturing is alive and strong within the state of Connecticut," says Joseph Brennan, senior vice president at CBIA, a state wide business group that coordinated the project. "This video is a fun way to show the state that manufacturers are open and ready for business, and to bring attention to a very important part of the Connecticut economy."

What make Air Handling Systems the BEST Choice???
