INDUSTRIAL STRENGTH  
Ductwork Direct

July 2014

### Made In America

OWNED

MADE

PARTS ©

Air Handling Systems is proud to provide you with American made parts from an American owned company. You might have seen this three FLAGS logo on our home page or on our catalog. To show our commitment to America we have adopted the FLAGS (Flags Labeling All Goods & Services) labeling system. The FLAGS logo helps consumers identify the true origin of all products by the use of three flags. We are proud to display three American Flags, representing that we are an American Owned company, with products Made in America, from parts Made in America.

Our spiral pipe used for various commercial and industrial applications is manufactured using all domestic steel ranging from 18 gauge - 26 gauge.

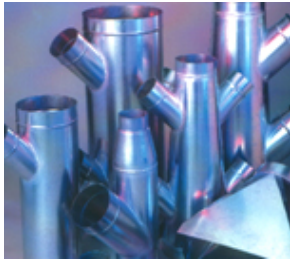

All our fittings are manufactured in our facility

### American Made Movie

American Made Movie shows the positive impact of domestic manufacturing jobs on national and local economies in the face of great challenges.

Whether you are an entrepreneur, student, manufacturer, stay-at-home mom or a senior citizen, you have the power to transform America's future and be a part of the solution through thinking before buying and through the simple choices you make every day.

located in Woodbridge, CT where we have easy access to to all forms of transportation allowing us to ship our products nationwide

on a daily basis.
