Air Handling to present at AWFS Fair College of Woodworking Knowledge

JULY 22-25, 2015
LAS VEGAS CONVENTION CENTER
LAS VEGAS, NEVADA

Attending the AWFS Fair in Las Vegas in July.
Make plans to attend seminars presented by Air Handling System's staff.

The Proper Three Are The Key: Dust Collection for Small Shops

Friday, July 24, 3:30-5:00 pm

Dust specialist Curt Corum, Sales Manager, delineates the three critical aspects of a proper dust control system: hooding, piping and the dust collector. Choose this seminar to gain detailed information on hood size, opening and performance that won't interfere with the operation. Learn about proper duct sizing to maintain the required transport velocity and distribution. The use of elbows and piping thickness. Additionally, get the facts on what type and size of dust collector is required.
